

## MEMORANDUM

To: UIL High School Academic Coordinator  
From: Dr. David Stevens, UIL Director of Academics  
Re: 2018-2019 Academic Coordinator Information  
Date: August 2018

The UIL academic staff looks forward to working with you in the year ahead. Please check our website for current information and forms, but feel free to contact us when you have questions or need assistance. Below is information that will help get the year started.

### ACADEMIC COORDINATOR REGISTRATION

Please **register online** ([www.uiltexas.org/academics](http://www.uiltexas.org/academics)) as the high school academic coordinator for your campus. The link is on the right-hand side of the page. This registration includes space for you to list contact emails for each event coach. This must be completed **each year** in order for you to receive important updates. **Please register no later than October 1.** (For elementary and middle school academic coordinator registration, dates and deadlines, visit the A+ Academics section of the UIL website. ([www.uiltexas.org/aplus](http://www.uiltexas.org/aplus)))

### SPRING MEET ENTRY SYSTEM

Update the coordinator and school information in the Spring Meet Entry System (<http://www.uiltexas.org/academics/spring-meet-entry-system>). Click the link to “Coordinators Logon”. If you do not have a UT EID, or if you believe you already have a UT EID and password, but need assistance, please go to “UT EID Self Service Tools” on the page. The Spring Meet Entry System is where you will later enter your students for district competition.

### COORDINATOR’S MANUAL and EVENT HANDBOOKS

The **2018-2019 Academic Coordinator’s Manual**, updated annually, can be downloaded online. Handbooks for each event are resource guides for contest directors, coaches and contestants. Contest rules and procedures are contained in one easy location for each event. These may be downloaded free of charge from the UIL website (<https://www.uiltexas.org/academics/resources/contest-handbooks-manuals>) and are available now.

### STUDY MATERIALS

UIL provides resources and study manuals, which may be ordered from the UIL online store (<http://store.uiltexas.org>). Most study packets are available in digital format only. You may pay by credit card or your shopping cart can be saved, printed and sent to your business office for PO or payment. Once payment is received, you will be emailed the links to download the materials and/or hard copies will be shipped.

### PROFESSIONAL ACKNOWLEDGEMENT FORM

Please have a signed and notarized **Professional Acknowledgement Form** on file for each of your academic coaches. It is not necessary to fill out this form annually, as long as it remains on file. The form is located on the UIL website (<http://www.uiltexas.org/academics/resources/forms>). The online Rules Compliance Program, Safety Training, or CPR are not a UIL requirement for academic coaches or coordinators. Your school district may have other requirements.

★ They're free! No pre-registration needed!

★ The Conferences begin at 9 a.m. and end by 1:30 p.m. without a lunch break. This allows us greater flexibility in scheduling without sacrificing program quality, and allows schools to return home earlier. Bring along snacks for students who need a sugar or carbo boost around noon.

★ Bring students! Most sessions are intended to help students begin preparing for high school spring contests. Mark your calendar and plan to attend one or more of these free conferences.

★ Instructional Sessions are designed for beginning students, advanced students and academic coordinators and coaches. Lectures and demonstrations will be scheduled for all UIL academic contests, including One-Act Play.

★ Conferences feature lectures and presentations by UIL contest directors, college professors and high school teachers. Sessions will include discussions on contest preparation, demonstrations, performances and contest administration. Students may choose from novice and advanced sessions in some academic areas, as well as small-group sessions in specific UIL activities.

★ Conferences are scheduled as best as possible to minimize conflicts with national testing dates, band contests and state conventions and to maximize participation by the finest students and teachers in Texas. Pre-registration is not required and there is no fee for attendance.

★ Tentative programs for each site will be posted on the UIL web site, and final programs will be available at each site.

### CONTESTS & CRITIQUES

ILPC offers critiques for newspapers (both print and online), yearbooks and broadcast programs. Our experienced judges will give you critical feedback for your programs so you can continue to move your students forward. We also have Individual Achievement Award (IAA) contests for each medium. We have more than 20 categories in newspaper and yearbook for individual students to compete. The categories range from writing to photography to design. We have more than 10 IAA categories for broadcast. We even have a rookie IAA category for schools that have not participated in ILPC for the past three years.

All winners from our IAA contests are announced at the ILPC Spring Convention. Additionally, we have a contest for the leaders in your programs and a contest just for advisers.

The deadline for the yearbook contest is Dec. 1. The deadline for newspaper and broadcasts contests is Feb. 15.

### SPRING CONVENTION MAY 4-5 2019

Each spring ILPC hosts a convention where we announce winners from our contests and offer more than 100 break-out sessions for students and advisers. Our presenters range from Pulitzer-Prize winning photographers to award-winning advisers to college professors. Our presentations cover a plethora of topics relating to all forms of media — from “What Skills you Need in the Real World” to “How to Improve Your Feature Leads.”

The two-day event is held in conjunction with the UIL State Academic Meet and is a great way to end your school year. In addition to the speakers and award presentations, ILPC also offers an on-site contest for students who want one more competition.

The convention is held on the University of Texas campus.

### SUMMER WORKSHOP JUNE 2019

Since 1980, ILPC summer publications workshops have set the standards for excellence. Our reputation as a workshop that stresses “work” is unequalled, and staffs that are serious about producing high-quality media return each year. For three days, students and advisers participate in an intensive learning environment, headed by many of the nation’s finest journalism instructors. These instructors are dedicated to one goal: helping others create the finest school newspapers and yearbooks possible. Students and advisers alike return to school in August ready to tackle their jobs, whether they’re beginning reporters or veteran advisers.

We offer classes in social media, video, various newspaper and yearbook strands, photography and design. Students reside in UT dorms and experience the university — cafeteria food and all.
